Media Information

Colorado's Sports Information Office: The University of Colorado Sports Information Office welcomes and encourages your interest in Colorado Basketball. We will make every effort to service your needs in covering the Buffs. The Sports Information Office maintains information on all current student-athletes and athletic department staff, as well as historical data on former athletes and Colorado's athletic department in general. The Sports Information Office is located in the Balch Fieldhouse Annex on the west side of Folsom Field.

Media Credentials: Credentials for University of Colorado home men's basketball games can be obtained by faxing, writing or calling the CU Sports Information Office the week prior to the scheduled game. Credentials will be left at the player entrance, located on the ground level entrance on the north side of the building, adjacent to the parking lot.

Road Game Credentials: Media credentials for Colorado road games can either be requested through CU's or the opponent's men's basketball sports information contact. Please be specific when requesting the type of credential needed.

Photographers: Photo passes are available for working photographers for officially recognized media outlets, and/or individuals on special assignment. Requests should be addressed in the same manner as media credentials.

Visiting Radio Personnel: Visiting radio personnel desiring to broadcast athletic events from the University of Colorado should contact the Sports Information Office at the earliest possible date to request permission to broadcast. Phone and ISDN lines are available for the opponent radio station next to the opponent bench for all home games.

Media Workroom: A media workroom, located on the first level under the northwest section of seats will be available for use by media before and after games.

Media Services: Game notes containing updated team and individual statistics, information on upcoming

games, Big 12 Conference standings and the latest AP and USA Today polls will be available two days prior to each non-tournament game throughout the season. Game notes, media guides and roster information, as well as opponent materials can be picked up before every game in the media workroom in the Coors Events/Conference Center. Copies of the box score and play-by-play information, as well as postgame quotes, can be faxed to your outlet at the conclusion of each game, home or away.

Photography and Video Services: High-quality photography and video clips are available through the Sports Information Office. To request photographs of current CU players and staff, please contact the CU Sports Info. Office. Please specify four-color or grayscale, as well as desired resolution and format. For video highlight clips, please contact the BuffVision Department at 303/735-3637. Director Deric Swanson can also be reached via email at deric.swanson@colorado.edu. Video headshots are available from Andrew Green in the CU Sports Information Office.

Bufs On the Web: All the latest news concerning the Colorado basketball program and all CU athletic teams is available at CU's official website: www.cubuffs.com

Telephone-Fax: Media desiring a phone line for their own use should contact Marianne Holcomb, Campus Telecommunications (303/492-5194) to have a line installed. All other phones are available on a first-come, first-served basis. A fax machine is available, also on a first-come, first-served basis. You may reach an outside line by dialing "8".

Press Row Services: Working media will be provided with full play-by-play and box score statistics at half-time and following the game, along with coach and player quotes following the game.

Postgame Interview Policies: After a short cooling off period, Colorado head coach Ricardo Patton and selected players will be available to the media on level two of the Coors Events/Conference Center in room four. The visiting head coach and selected players will address the media outside their lockerroom. All requests for player or coach interviews from either home or visiting teams should be directed to a CU sports information staff member. The Colorado and opponent lockerrooms are closed to the media.

No-Smoking Policy: There is a no-smoking policy in the Coors Events/Conference Center, to conform to University of Colorado policy concerning smoking on campus. Those members of the media who do smoke will be directed to those areas outside of the arena where smoking is permitted.

Coors Events/Conference Center: Located on Regent Drive, the first left off Colorado Avenue coming from U.S. 36.

Interview Policies:

1. Media representatives desiring access to players, coaches and facilities must obtain the consent of the Colorado Sports Information Office and assistant director Andrew Green.
2. Ricardo Patton will be available on the Big 12 Teleconference on a bi-monthly basis during the season. Dates and times are to be announced.
3. All practices are closed to the local media, with the exception of the first half hour of practice. Visiting media must receive authorization to attend practice through the Sports Information, which will in turn seek approval from the Head Coach. Live television shots must be approved by the Sports Information Office and Ricardo Patton in advance.
4. Talking is not permitted on the floor and court area of the Coors Events/Conference Center while practice is in session unless it is to request a player or coach for an interview.
5. Basketball players may be interviewed following practice during both the fall and spring semesters. CU players are not to be interviewed prior to any practice unless approved 24 hours in advance by Andrew Green, and this exception is rare. All interviews on game days, prior to tip-off, are at the discretion of Ricardo Patton.
6. The lockerroom is closed to the media at all times.
7. The training room, equipment room and weight room are off-limits at all times to the media. The only exception to this rule is if a special feature involving one of the areas is requested, and approval must be sought in advance from the Sports Information Office and the appropriate department head.
8. Sunday is the standard day off for players and coaches during the Big 12 season and varies during the non-conference season. Any requests for athletes and coaches on Sundays and other off days will be handled on an individual basis through the Sports Information Office.
9. Road practices are open only to members of the media that cover CU on a regular basis, as well as any members of the national media. Ricardo Patton is available for interviews with opponent media based on his personal discretion.
10. It is the request of the University of Colorado men's basketball program that players are not to be called at home, unless permission has been granted by the player himself or through Andrew Green. Though most phone numbers are available through campus information, players are allowed and encouraged to decline interviews when they have been reached at home when that interview has not been approved.

Charles Johnson and Mark Johnson will broadcast their second season together covering CU men's basketball on 760-AM in 2005-06.
